Respected Sir,

I beg to bring the following few lines for kind and sympathetic consideration and favourable orders

I beg to state that I belong to "Madivali Setty" community which is a minority and backward community in the State, and I am residing in Hassan Town I am also a tax-payer to the Hassan town municipality

It is an uphill task for our community people to come out successful in the elections of the local body institutions So much so, I could not stand in the recent municipal elections of Hassan town as my community is a minority community

As I am very keen in sacrificing my services in the interests of the public of Hassan Town, and as I had no chance to come out successfully in the elections, I pray Your Honour to be pleased to nominate me to be a member in the municipal Council, Hassan for the next consititution

It is a well known fact that the benign Government will not fail to uplift the backward minority communities whenever suitable chances arrises So much so, I pray, now, Sir, to kindly nominate me for the Municipal Council of Hassan and thus enable me to serve the public and also represent our community in the Council

For which act of kindness I shall ever remain grateful

I beg to bring the following few lines for kind and sympathetic consideration and favourable recommendation

I I am a resident of Hassan Town and Tax-payer to the Hassan Town Municipality

III So far, no person contested for the Municipal Council ever since the Municipal Council was constituted by Government

IV Even if any candidate were to contest in the Elections, there is absolutely very little chances to succeed in the Elections for the very reason that our " Ganigar Community " is a most backward and minor community

V Even the benign Government was not pleased to nominate any prominent person among our community to the Municipal Council in the previous years

VI Up to this time, no representation was ever made in the Council or elsewhere As I have got a great desire to serve public, I submitted applications during last two occasions to nominate me for the Municipal Council But to my unfortunate lot, the Government was not pleased to nominate me for the Municipal Council

P T O

Therefore, under the above circumstances, I most respectfully pray that kind recommendation be made to Government to nominate me to be a member in the Hassan Town Municipal Council, and thus offering an opportunity to an represented backward community to serve the punlic

Sir,

I have been an elected Municipal Councillor of the Hassan Town Municipality for a period of 28 years As a last chance before terminating my association with the Town Municipality, I stood for election and was bracketed with Mr.H D.Adirajiah for the seventh place in the first block As per rules lots were drawn and the draw favoured my rival

After such a long period of service which is periodically destified in the elections that I should sever my connections by stroke of chance or luck is indeed painful to me

So I pray that on the merit of my public services which have been recognised both by the public and the Government, I may kindly be nominated and thereby enable me to spend the evening of my life without regret and in the most useful manner by serving the town public as a member of the Municipal Council.

Sir,

We beg to bring the following few lines for kind and sympathetic consideration and favourable orders

We are all tax-payers to the Hassan Town Municipality, belonging to the " Ganigar " Community which is scheduled as a Backward class But also it is a minority community in the Hassan Town

So far no person from our community contested to the Municipal Council since the birth of such a body as "Municipal Council" Even if a candidate were to contest in elections, he had very littel chanc of coming out successfully as our community is a minority community Even the benign Government was not pleased to nominate any person of our community to the Municipal Council during the past years Upto this time, no representation was made in the Municipal Council or elsewhere Hence, we, the tax-payers of the community appealed to Government on the previous two occasions to nominate the leading and prominent young and energitic man by name, H C Nagappa to nominate him to the Municipal Council But to our unfortunate lot, the Govern ment was not pleased to comply with our prayer

Therefore, under the above circumstances, we most humbly pray that one of the nominated seats for the ~~xxxxxx~~ next fresh body, be given to Mr H C Nagappa, Ganigar Street, Hassan, and thus offer us an opportunity to represent our community at least this time

To

The Minister for Local-self Govt. of Mysore,

Bangalore

Respected Sir,

I, the undersigned H R Shankarachar, S/O Ramalinga Char, residing in Ediga extension, Hassan beg to represent to your kind notice the following few lines for favourable consideration.

The election of the Town Municipal Council, Hassan town, took place on 5/6/1947 and the members of various communities viz Brahmins, Vaisyas, Lingayats, Jains, Muslims, Vokkaligers and Devangas have been elected.

In this connection I beg to state, that one o Visvakarma community member Mr Yogachar who stood for election could not succeed as he could not secure the support of other communities who are in majority in this town This is due to the fact of our community being in minority It is also due to the fact, that this particular community 'Viswakarma' cannot secure the support of other communities in this town.

It is to be stated, till now, the members of Adikarnatakas, Muslims, Devangas, Kuruhinasetty's and Agasas are being nominated to the Town Municipal Council and our community being minor has not so far been represented and none has been nominated till to-day

I am residing in Ediga extension of this town paying an annual municipal tax of Rs 10/- and Land Revenue of Rs 40/- I am also the head man of our community

In view of the above circumstances stated, I most humbly request you, Sir, to kindly nominate me as a member to the Municipal Council, Hassan that will be reconstituted from July 1947.

Yours Obediently,

Hassan

Dated 13/6/1947.

Rev'd J Appaji Gowda Esquire, B A , (Hons),
Minister for Revenue & Local Self Government,
in Mysore, Bangalore

Respected Sir,

I beg to submit the following:-

1 That I am a member of a respectable family of Devangal Community in Hassan Town and I pay a mohatarfa of about Rs150/- to Hassan Town Municipality and a Land Revenue of Rs 370/- to Government.

2. That during the current decade myself and my family members have made manificent public donations by constructing a pond, a mantap, a well and a fountain for the benifit of the public at a total cost of nearly Rs. 5900 to Rs 7000/- My family has also spent Rs 2000/- for the Sri. Ramalinga Choudeswari Temple at Hassan I have been an Honorary Bench Magistrate at Hassan from the last 8 years, and I have donated a sum of Rs 250/- for the construction of Intermediate College building at Hassan

3. That the Devanga community to which I belong is a respect able minority in Hassan Town The members of the said Devanga community are intelligent and hard working and are responsible for much of the Cottage Industries The interst of the said community in land as well as in Commerce in this town is considerably great. All these facts necessiate representation in the Legislature and the Local bodies of the State

4 But owing to Backwardness in Education and lesser population, compared with the total population in the Town the said community is prevented succeeding in the open election and so our Community is not represented.

5 Therefore, I respectfully urge the necessity of nominate ing one of the members of our Community in Hassan Town Municipality I respectfully pray that I may kindly be nominated as a member to the Hassan Town Municipality, which will be reconstituted from first July 1947.

Thanking you,

H a s s a n,
Dated the 12 June. 47.
